The Country House Revealed is a six-part BBC series first aired on BBC Two in May 2011, in which British architectural historian Dan Cruickshank visits six houses never before open to public view, and examines the lives of the families who lived there. The series was accompanied by a full length illustrated companion book published by the BBC.

Country House, a "comedy with corpses," is a wicked subversion of all those realistic psychological dramas of jealousy, adultery, murder and suicide that ask to be taken seriously. Witkacy's send-up assumes the form of a ghost story full of surprises, in the course of which an entire family of four is gleefully dispatched to the other world.
