The History of Signage. March 19, 2012 March 19, 2012 Nelson James Product News, Sign Design, Sign History . Image Author: Carla Hufstedler. According to the all-knowing Wikipedia, signage (which is what you have to search for unless you are super interested in the Zodiac) is defined as any kind of visual graphics created to display information ...

The History of Signage | Signs.com Blog

The use of commercial signage has a very ancient history. Retail signage and promotional signs appear to have developed independently in the East and the West. In antiquity, the ancient Egyptians, Romans and Greeks were known to use signage. In ancient Rome, signboards were used for shop fronts as well as to announce public events.
